# WELCOME TO LUCKPENNY INSURANCE FROM NFU MUTUAL

**You should read your policy documents carefully, to make sure the policy meets your needs and that you understand any limitations.**

**Here's a summary of the main features, benefits, exclusions and obligations found in our Luckpenny policy. It's not personalised to your individual needs in any way and does not form part of your contract with us.**

**To help you make the right decision for your business, we've highlighted the essentials we think are important.**

This summary does not contain the full terms and conditions of this insurance policy, so you should read your policy documents carefully, to make sure it meets your needs and that you understand any limitations.

You can ask your local NFU Mutual Agent for copies of the policy documents.

## **OUR LUCKPENNY POLICY**

Selling your livestock isn't always straightforward, so anything that can encourage buyers to purchase livestock from you is useful. This policy can help protect higher value breeding stock you sell from events such as accidents or disease.

As a result of the changes we have seen in the market following the pandemic, NFU Mutual's Luckpenny Policy covers animals sold at livestock markets (both "in person" and "online auctions" via accredited livestock auction houses).

Your NFU Mutual Agent is on hand to work closely with you to identify and manage these challenges.

Please be aware that we may notify the relevant breed society before paying a claim under this policy.

## **YOUR OBLIGATION TO BUYERS OF YOUR LIVESTOCK**

You must give a copy of this document to anyone who buys livestock from you that is covered by Luckpenny Insurance, so they are aware of the cover provided by the policy and any conditions.
